

2022-2023 SVR High School Scholarship Application

The Shenandoah Valley Runners Scholarship Committee is now accepting nominations for its annual scholarship recipient. To be eligible, prospective scholarship candidates must meet the following criteria:

- Application must be in writing and given to a scholarship committee member on or before May 1, 2023.
- Candidate must be a SVR member.
- Candidate must be a high school senior.
- Candidate must be a cross-country and/or track team member of his/her high school team during their senior year.
- Candidate must be planning to enroll in post-secondary education.

The completed application must also include:

Questions concerning these requirements should be addressed with an SVR Scholarship Committee member. The scholarship committee will consider all applicants and select a recipient based on such factors as (in no particular order) length of SVR membership, participation in SVR events, school and community honors earned, and grade point average. The scholarship will be paid directly to the recipient and will be given at the High School's end-of-year awards ceremony.

The application and supporting documents can be dropped off at Runners' Retreat or emailed to SVR.President1@gmail.com.
