

## 2026 SVR High School Scholarship Application

The Shenandoah Valley Runners (SVR) is now accepting applications for its annual scholarship. To be eligible, scholarship applicants must meet the following criteria:

- Application must be submitted on or before March 15, 2026.
- Applicant must be an SVR member for at least 6 months before applying.
- Applicant must be a high school senior.
- Applicant must be planning to enroll in a post-secondary education program

The completed application must also include:

- A essay of at least 500-words that introduces the applicant and discusses how the applicant's life has been influenced by running and amateur competition (the foundations of SVR's mission).

The SVR Scholarship Committee will consider all applicants and select a recipient based on such factors as (in no particular order) length of SVR membership, participation in SVR events, school and community honors earned, and grade point average. The scholarship will be paid directly to the recipient and will be awarded at the SVR Member Banquet in April.
